

*A Prayer for
Episcopal Relief and Development*

*Almighty God, give to Episcopal Relief and Development
the vision of Jesus whose compassion failed not,
that following His example we may be a ministry
of the whole Church for the whole world.*

*Grant that we may know who we must be as the arms
and legs of Christ in the world today, so that we shall
do what we are called to do in responding and making
available resources of money, skills, and persons
to alleviate poverty, famine, and disaster.*

*We thank you for the many generous souls
who give of their abundance and pray that many
others may join them in responding to the needs,
hopes, and concerns of the world through
Episcopal Relief and Development. Set us at tasks
to risk the Gospel in all places where you lead us,
through Jesus Christ our Redeemer. Amen.*
