Assist Haitian relief efforts through The Episcopal Church, Episcopal Relief & Development

The Episcopal Church and Episcopal Relief & Development are deeply grateful for the outpouring of financial support and prayers for all those suffering in aftermath of the earthquake in Haiti. Both organizations are raising funds to support the Episcopal Diocese of Haiti during this challenging time.

The following outlines the different avenues for the dispersion of contributions.

Episcopal Relief & Development

Episcopal Relief & Development is partnering with the Episcopal Diocese of Haiti to provide provisional shelter for those left homeless by the quake and to create cash-for-work opportunities for survivors. The cash-for-work program will include at least 40 church-led development projects to remove rubble; rehabilitate local markets, clinics, schools and churches; support hurricane preparedness by rehabilitating roads and ditches; build latrines; and support vulnerable community members (e.g., the elderly, the ill and pregnant women). For more information, visit www.er-d.org/Haiti.
