

What you can do:

Help People Affected by the Conflict in Gaza.

The ongoing conflict in the Middle East has escalated, becoming a major humanitarian crisis. Since the recent upsurge on December 27th, more than 550 people have died and 2,500 have been injured. The death toll continues to rise with overwhelming civilian casualties.

Al Ahli Arab Hospital is providing emergency assistance to people affected by the crisis

As the conflict in Gaza worsens, Episcopal Relief & Development is in contact with the Episcopal Diocese of Jerusalem. Episcopal Relief & Development has sent emergency funds to our program partner, the Al Ahli Arab Hospital. Located at the center of Gaza City, Al Ahli Arab Hospital has been providing essential emergency health care to injured civilians. Since the onset of the attacks Al Ahli Arab Hospital has not turned anyone away and has treated more than 100 injured civilians.

The staff and volunteers at the hospital desperately need medicine, supplies and support to continue their life saving work.

Here is how you can help today:

1. **Pray** for peace and a swift end to the Israeli-Palestinian conflict.
2. **Give** to help provide life-saving medical supplies to people injured in the ongoing conflict.

Today your partnership is critical to protecting vulnerable people in Gaza. Please send a generous gift to help those impacted by this crisis.
